

## AUGUST: CHECK-IN 3 CHANGE THE WORLD

PLEASE CHECK OUT THE VIDEO AND RESOURCES ONLINE BEFORE THE SESSION

### YOUR MISSION:

To discuss actions that could create positive change within the ethnicity agenda. Brainstorm what can be done both individually and collectively, then think about what organisations can do to support change in the workplace and within the wider movement. (30+ minutes)

### 1. INTRODUCTION:

DISCUSS THE FOLLOWING QUESTIONS IN YOUR GROUP

#### THE BLACK LIVES MATTER MOVEMENT

Have the past year's events affected your view of the future for the Black, Asian and Minority Ethnic community in the UK?

Do you think we have seen progress? And how do we keep the momentum going?

What kind of future do you imagine for the next generation of young Minority Ethnic people?

#### THINK ABOUT WHAT NEEDS TO CHANGE

Within the workplace (you will have already covered this in regards to your own career, but what about new starts and graduates entering the workplace for the first time?)

Within society (think about your own experiences)

### 2. PLEASE NOMINATE A MEMBER OF THE GROUP TO COMPLETE THE GROUP QUESTIONNAIRE

(FILL IN ONLINE, THE QUESTIONNAIRE IS FOR INTERNAL USE TO COLLATE AND FEEDBACK ON AND ALSO ENSURE THAT GROUPS ARE COMMITTED TO THE PROGRAMME - WE WILL NOT SHARE OR IDENTIFY ANY PEOPLE ALONGSIDE FINDINGS)

What can businesses do and how can they work together to improve the wider ethnicity agenda?

Are there any initiatives or causes that you would like to see your organisation support?

- Think about areas where support is most needed.

Do you think organisations sometimes use ethnic diversity as a tick box? How can organisations ensure that there's sustainable change?
